 - (iii) clause 5 below will apply in respect of any Third Country Transfers of Personal Data effected in connection with the relevant Statement of Work.

The parties acknowledge and agree that this DPA does not apply if and insofar NCC Group acts in the capacity of a Controller.

2.3 DPA Appendix

The Parties acknowledge and agree that:

Insofar NCC Group acts as a Processor, it is bound by the instructions of the Client as described under the details of Processing activity in the DPA Appendix

3. NCC Group obligations

3.1 Processing of Personal Data as a Processor

Where the Client is a Controller and NCC Group is a Processor within the meaning of the GDPR, in regard to Personal Data disclosed by the Client, NCC Group will:

- (a) process the Personal Data only on documented instructions from the Client, unless Processing is required by law and regulations to which NCC Group is subject. In such a case, NCC Group shall inform the Client of that legal requirement before Processing, insofar as this is permitted;
- (b) only undertake a Third Country Transfer if the conditions as set out in the Privacy Laws have been met, for instance:
 - (i) an Adequacy Decision has been made in respect of the relevant country; or
 - (ii) NCC Group has entered into an agreement with the recipient of the Third Country Transfer, which ensures a level of protection for Personal Data which is equivalent to the GDPR, such as the EU SCC's or UK IDTA;
- (c) put in place appropriate technical and organisational measures in such a manner that any Processing undertaken by NCC Group in connection with the Agreement ensures a level of security appropriate to the risk, taking into account the state of the art, the costs of implementation and the nature, scope, context and purposes of Processing as well as the risk of varying likelihood and severity for the rights and freedoms of natural persons; which does not prejudice the Client's responsibilities to take appropriate technical and organisational measures, in particular with regard to information Processing systems of the Client or any party for which the Client is responsible.
- (d) ensure that persons authorised to process the Personal Data received from the Client have committed themselves to confidentiality or are under an appropriate statutory obligation of confidentiality;
- (e) notify the Client as soon as reasonably practicable of NCC Group becoming aware of a Personal Data Breach ("Data Breach") by NCC Group or its Sub-Processors. NCC Group will investigate such Data Breach and provide a report to the Client with the results of such investigation as soon as reasonably practicable. If a Data Breach was caused, in whole or in part, by the Client's actions, the Client will pay for the work part of such investigation by or at the instructions of NCC Group. Such work shall be compensated by the Client in accordance with the applicable (hourly) rates;
- (f) provide reasonable assistance to the Client or shall make available information requested on reasonable grounds and that is necessary to demonstrate fulfilment by NCC Group of the obligations set forth in the Privacy Laws, where the Privacy Laws require NCC Group (as the Processor) to do so, taking into account the nature of Processing and the

information available to NCC Group, including by providing reasonable assistance to the Client in relation to its obligations regarding:

- (i) keeping Personal Data secure;
 - (ii) notifying Data Breaches to the relevant Authority;
 - (iii) notifying Data Breaches to relevant Data Subjects;
- insofar as the Client itself does not have access to the relevant information and NCC Group has that information available, and provided that the Client acknowledges and agrees that NCC Group will not be required to assist with the Client's own compliance, security, technology and related processes, in respect of which NCC Group has no insight, other than as required by the Privacy Laws. NCC Group may require that the information be reviewed at NCC Group's premises only and is entitled to impose reasonable further conditions to such request in order to safeguard the confidentiality and integrity of such information.

- (g) assist the Client by appropriate technical and organisational measures, insofar this is possible and applicable, to assist the Client to respond to requests from individuals to exercise their rights under the Privacy Laws ("Data Subject Rights"). NCC Group will notify the Client without delay if NCC Group receives a request from a Data Subject under the Privacy Laws if it relates to Personal Data processed in the performance of its obligations under the Agreement, and shall not respond to such request, except based on the Client's documented instructions or where this is required by applicable law and/or legislation, in which case NCC Group will notify the Client of that legal obligation before accommodating the request, insofar this is permitted.
- (h) permit and contribute to the Client (or its nominee auditor) conducting audits and inspections as required by the Privacy Laws (including in respect of the scope of such audits):
 - (i) not more frequently than once a year;
 - (ii) on the provision of not less than ten Business Days' Notice to NCC Group;
 - (iii) during Business Hours only; and
 - (iv) at the Client's expense,
 provided that the Client acknowledges and agrees that NCC Group will not be required to provide any assistance, or disclose any information to the Client (or its auditors) in connection with such an audit, if doing so may (in the opinion of NCC Group) cause NCC Group to breach any obligation of confidentiality or privacy owed to any person, or compromise the functionality, availability, quality or security of NCC Group Services or NCC Group's systems.

4. Third parties Processing

4.1 Sub-Processors

Where the Client is a Controller and NCC Group is a Processor of any Personal Data disclosed by the Client to NCC Group for the purposes of the Agreement, NCC Group may engage another party to perform Processing activities on behalf of NCC Group (Sub-Processor). - (b) its entry into this agreement constitutes the Client's general written authorisation for NCC Group to appoint Sub-Processors as listed at <https://www.nccgroup.com/uk/terms-and-conditions/sub-processors/> and within the relevant DPA Appendix.
- (c) NCC Group will:
 - (i) ensure such Processing by any Sub-Processor is governed by an agreement with that Sub-Processor including sufficient guarantees that the Sub-Processor will implement appropriate technical and organisational measures in a manner compliant with the Privacy Laws;
 - (ii) notify the Client of any intended changes concerning the addition or replacement of Sub-Processors at least 20 Business Days in advance, thereby giving the Client the opportunity to object to such changes on reasonable grounds, which Notice the Parties expressly agree may be provided via any medium, including email, a public website or a web-based client portal
 - (iii) insofar as that contract involves a Third Country Transfer, ensure the conditions of the Privacy Laws for data transfers are incorporated into the agreement between NCC Group and the Sub-Processor, in accordance with clause 3.1 under b above.
